2024 Application for U S Figure Skating Tests

Please use **Entryeeze** to register for test sessions. <http://comp.entryeeze.com/Membership/Welcome.aspx?cid=125>.

At the top left of the screen, click on the blue box that says “non-member” registration. ***(Do not set up or log into your Entryeeze account, even if you have one. For the purposes of testing within OSC clubs, nobody is a ‘member’.)***

Continue to input the skater’s information, test requested, coach, prop (if applicable), etc. Payment methods are like most e-commerce sites. Notices and schedules will go out via email to the registered skater and their coach. For figure tests or other tests not listed for the test session you select, contact the club’s test chair. Once the application deadline has passed there are **NO REFUNDS** unless the skater cannot be accommodated on a selected test session.

Skaters over 18 years old that are partnering skaters under 18 in dance or pairs must pass a USFS background check. Enter that data into Entry-eeze with your application.

Most test sessions have limited ice availability. In general, applications are prioritized on a first come, first served basis. If there isn’t adequate time to schedule all requested tests some applicants will be bumped to the next scheduled test session of their choice, or the applicant may request a refund. That applicant will have scheduling priority on the later test session based on their original application date. The test chair will e-mail the applicant and coach notifying them of the change. They do not need to re-apply for the later test.

Notice: USFS membership is renewed annually and runs from July 1st of each year to June 30th of the following year. To be eligible to test after June 30, 2024, you must renew your USFS membership for the 2024-2025 year.
